DEDICATION

We, the Seniors, dedicate the 1962 MONTAGE to Mr. Miecislav Ziolkowski.

"Mr. Z," as he is affectionately called by the students, joined the music faculty of Alabama College in 1929, coming to us from the Columbia School of Music in Chicago. Prior to that he taught at the Stern Conservatory and the Warsaw Conservatory in Poland.

Born in Poland, Mr. Z. was educated in Germany, receiving his undergraduate degree from the Classic Gymnasium and his graduate degree of Master Pianist from the Stern Conservatory in Berlin. In addition, he studied with Ignace Paderewski in Switzerland.

A world traveler, Mr. Z. has traveled extensively in Europe, the United States, Canada, Mexico and Cuba.

He is listed in Who's Who Among Poets in America, and is a member of Pi Kappa Lambda and the American Association of University Professors.

We hope that in some small way this dedication will display our warm and sincere affection for one of our favorite faculty members.

His wedding day

Our Mr. "Z"

Bobby, Dr. Phillips, Mrs. Phillips, Howard.

OUR PRESIDENT

Dr. Phillips displays his sense of humor.

A scientist, an educator, a scholar, but most of all a progressive leader —Dr. Howard M. Phillips. Dr. Phillips has lead Alabama College in expanding its physical facilities, strengthening its faculty, and added to its prominence as one of the greatest colleges in the South. We, the students of Alabama College hope to have your able leadership in the years to come.

Editor's Message

In a small room no bigger than a closet, while everyone else enjoyed the atmosphere of the tea house below, one might have heard shuffling feet, shouting voices and rattling papers. This was not a noisy classroom, this was the sound of a MONTAGE being produced. At first glance, you may not realize that working on a yearbook is not just an enjoyable outside activity. Although it is enjoyable, it is extremely vast in its scope.

If you stop to realize that the staff is made up of students working together, and this staff has the responsibility of recording the events and activities of over thirteen hundred students, you will see the tremendous job it involves.

Publishing a yearbook such as the MONTAGE is really a business operation, but the staff has many exciting memories, such as the nights when the campus was dark and desolate and there was a light burning in the MONTAGE office, the many pots of coffee that it took to keep them awake, the hustle and bustle to meet the last minute deadline while under fire of College Night, the happiness that was experienced when the last page was proofread and ready to be mailed.

The staff has gained immense experience in cooperating with others, not only with intra-staff relations, but in cooperating with clubs and organizations and other student body members.

This MONTAGE could not have been possible without the dedication, devotion, love, and time of many people.

Author of *Our Town* and *The Skin of Our Teeth*, both Pulitzer Prize plays, Thornton Wilder is considered by many to be the greatest living American playwright. In *The Matchmaker*, Mr. Wilder makes a rare journey into the field of farce. To this end he concocts a hilarious series of misadventures set in the gay atmosphere of the 1880's. The plot revolves around a wealthy merchant from Yonkers who decides to take a wife. His accomplices in comedy include the intriguing matchmaker who aids him in his marital pursuits and his two young clerks who take advantage of his preoccupation by having a "night on the town" in old New York. The result of the playwright's labors, as recorded by Walter Kerr of the New York Herald Tribune, is, "A spectacular spree producing gales of laughter, in which Mr. Wilder proves again that he has a positive genius for getting a hold of the essential joys of anything he touches."

J. B.

This is the stirring poetic drama that won the Pulitzer Prize for Archibald MacLeish in 1959. The action is set in motion by two broken down actors who decide to act out the ancient play of Job on the stage of a travelling circus. One proposes to play God and the other assumes the role of Satan; then they wait for Job to show up. However, when the leading actor appears, it is not the biblical Job, but his modern counterpart, J. B., and with his entrance the "play" dissolves, and we are confronted with a solemn reality of the modern world. In the shadow of Hiroshima and the many other terrifying facts of life in our time, we witness J. B.'s trials as he loses his children, his wife, his wealth, suffers an atomic holocaust, and at last makes an awesome attempt to comprehend the inexplicable misery of the world. THE SATURDAY REVIEW voiced a common critical opinion of this powerful work when it stated that J. B. "may well become one of the lasting achievements of art and mind in our time."

CALLING COLLEGE GRADUATES!!

CHOOSE A CAREER WITH A FUTURE—A Helping Profession

Opportunities await you with the Alabama Dept. of Pensions and Security.

The beginning jobs in the social work series in the Department of Pensions and Security are those of case worker (also called pension counsellor) and child welfare worker-in-training. For the case worker position you must have a degree from a 4-year college or university, complete successfully the State Merit System Exam for this job, and be able to drive a car and have one available to you. The position of child welfare worker-in-training is used on a selective basis when child welfare workers are not available. Upon employment, the worker-in-training becomes a candidate for educational leave.

ADVANTAGES ARE MANY:

Employment under the State Merit System

Beginning salary: \$326 per month; annual salary review; opportunities for promotion after receiving professional social work training (with stipends granted for graduate study)

Paid vacation (annual leave) and sick leave

Social Security

State Employees Retirement System

Group Hospital and Health Insurance

Official Travel Expenses

If YOU like people, if you want to help them and to make your community better, if you want a truly rewarding job, investigate a career with the Department of Pensions and Security.

WRITE:

State Department of Pensions and
Security
Attention: Administrative Assistant
64 North Union Street

OR VISIT:

The State Department (call for an appointment) or your own County Department. One is in every county seat.
